

Chenin Blanc 2017

Chenin Blanc is the winemaker, Andries Blake's favourite white varietal. The wine is produced from a dryland bush vine in the Swartland.

Golden hued and full-bodied with dried apricot, vanilla and honey on the nose. Harmonious balance between fruit and oak flavours. The wine was fermented and matured for another 3 months in 50% new French oak and 50% second fill oak.

This complex wine have sufficient body to enhance spicy and full flavoured meals. Also partners well with mild seafood and poultry

89 Points awarded by US Wine Spectator
