

BLAKE'S

FAMILY WINES

Chenin Blanc 2017

Chenin Blanc is the winemaker, Andries Blake's favourite white varietal. The wine is produced from a dryland bush vine in the Swartland.

Golden hued and full-bodied with dried apricot, vanilla and honey on the nose. Harmonious balance between fruit and oak flavours. The wine was fermented and matured for another 3 months in 50% new French oak and 50% second fill oak.

This complex wine have sufficient body to enhance spicy and full flavoured meals. Also partners well with mild seafood and poultry
